

Friends of Lancaster annual meeting, Monday. Feb. 22, 2021, was held by Zoom due to COVID-19 restrictions. Joe Urban set up and managed the zoom aspects of the meeting.

President Charlie Costello called the meeting to order at 7:35 p.m. There were 9 present and 8 proxies, which exceeded the number needed for a quorum.

Attending in person (zoom) Charlie & Anne Costello, Joe Urban, Nick & Jackie Ferriter, Frances Callaghan, Richard Gill, Jack & Jo Chamberlain

Proxy List: Sandra Urban, Robert Weekley, Elaine Weekley, I. Meade Hufford, Frederick B. Johnson, Susan S Johnson, Sharon Thompson, John Blaterman

All currently serving officers agreed to continue in office for 2021. There was a motion to keep the same officers which was unanimously approved.

The treasurers report below was submitted and approved.

The discussion was dominated by the solar ordinance currently under consideration. There is a public hearing scheduled for the Board of Supervisors meeting Thursday night. There are currently 6 possible solar projects. It was also noted that in Virginia small projects (i.e. neighbors banding together to supply solar polar) are illegal.

It was also noted that there are only 12 farmers actively farming in Lancaster County and that 12,000 minimum acres are needed to maintain viability.

The TriWay biking, walking trail to promote tourism, proposed by Jimmy Carter, was also discussed.

The meeting was adjourned at 8:25 pm.
